# MHS 13 Vertical

When there is limited wall space available, this tall model delivers elegance and subtlety in equal measure. Adding a colour finish also brings a new dimension to this already attractive radiator.

## H 1800 / Single

|                                             |                   |
